## **PetitionsPetitions**

### **1. Background**

- 1.1 The Council refreshed its Petition Scheme in May 2019, following its introduction in 2010 after legislative changes requiring local authorities to respond to petitions. Whilst the Localism Act 2011 repealed that statutory requirement, the Council has maintained its commitment to responding to issues raised by local people and communities in respect of matters within the Council's remit.
- 1.2 The current Petition Scheme sets thresholds for various routes that petitions can take through the decision-making process:-
- Up to 20 signatures – not accepted as a petition.
  - 20 to 599 signatures – five-minute presentation to Council by Lead Petitioner and response by relevant Executive Director.
  - 600 to 1,999 signatures – five-minute presentation to Council by Lead Petitioner and referral to Overview and Scrutiny Management Board for review of the issues, followed by response by the Chair of Overview and Scrutiny Management Board setting out their findings and recommendations.
  - 2,000 signatures and above – five-minute presentation to Council by Lead Petitioner followed by a 15-minute debate of the petition by the Council.
- 1.3 This report is submitted for information to detail the number of petitions received since the previous Council meeting held on 5 November 2025 and the route that these petitions will take through the Council's decision-making processes.
