		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across the Borough as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:

None.

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

As this report is a financial update on previous events, updates on levels of funding moving forwards and doesn't approve anything directly to happen, it does not have any climate change implications.

Provide a summary of all impacts and mitigation/monitoring measures:

As this report is a financial update on previous events, updates on levels of funding moving forwards and doesn't approve anything directly to happen, it does not have any carbon implications.
