Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified:			
		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across the Borough as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:

None identified.

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

These schemes have a positive benefit to the health and wellbeing of adults throughout the Borough which could have positive resilience implications in the future, though it is not possible at this stage to document the impact in relation to climate change.

Provide a summary of all impacts and mitigation/monitoring measures:

There are no anticipated changes to carbon emissions as a result of the recommendations of this report as the proposal is to continue service provision as in previous years to continue to manage demand for this service.
