RECORD OF OFFICER EXECUTIVE DECISION

Date of Decision:	17 th February, 2026
Title:	New build housing development, Quarrell Way, Swinton, Proposed 20mph zone
Decision Maker: (Including Job Title)	Simon Moss Service Director, Planning, Regeneration and Transport
Details of Specific Delegation or Delegation contained in the relevant Sub-Scheme of Delegation.	To promote, consider objections to and implement Traffic Regulation Orders under the Traffic Regulation Act 1984. Sub Scheme of Delegation - Strategic Director of Regeneration and Environment.pdf , Page 21.
Decision:	The key recommendation of the report is to continue with the making of the orders for the proposal.
Reasons for the Decision:	There is a risk that without amending the speed limit to better reflect the road design, drivers will not reduce their speed, with the potential that inappropriate vehicle speeds may be observed with the potential for a collision to occur. The proposed change to the traffic regulation order addresses this.
Details of alternative options considered and rejected:	Do nothing and keep the proposed new roads as the default speed limit i.e. 30mph. This option is not being promoted as this would not encourage residents to take up more active forms of travel, such as walking and / or cycling.
