

Climate Impact Assessment, Appendix 4, Care Quality Commission Assessment of Rotherham Adult Social Care 2025

Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified:			
		Describe impacts or potential impacts on emissions from the Council and its contractors	Describe impact or potential impacts on emissions across the Borough as a whole	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	None				
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:
None identified

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?
None identified.

Provide a summary of all impacts and mitigation/monitoring measures:

No impacts identified. The associated Cabinet paper is a summary of the publicly available assessment report published by the Care Quality Commission. This was concluded in July 2025 and published on CQC's website 20 March 2026. The report is usually shared electronically and will not be printed unless requested i.e. by a member of the public.
