

Climate Impact Assessment, Appendix 3, Draft Street Trading Policy

Will the decision/proposal impact...	Impact	If an impact or potential impacts are identified:			
		Describe impacts or potential impacts on emissions from the Council and its contractors.	Describe impact or potential impacts on emissions across the Borough as a whole.	Describe any measures to mitigate emission impacts	Outline any monitoring of emission impacts that will be carried out
Emissions from non-domestic buildings?	None				
Emissions from transport?	None				
Emissions from waste, or the quantity of waste itself?	Decrease		Conditions would be attached to consents that require holders to dispose of waste in accordance with environmental legislation.		
Emissions from housing and domestic buildings?	None				
Emissions from construction and/or development?	None				
Carbon capture (e.g. through trees)?	None				

Identify any emissions impacts associated with this decision which have not been covered by the above fields:

None.

Will the proposal affect Council services' resilience to climate change, or the capacity of people living in the Borough to adapt to climate change?

No.

Provide a summary of all impacts and mitigation/monitoring measures:

The proposed conditions will ensure that those given consent to trade on the streets will be required to dispose of their waste in accordance with environmental legislation. A failure to do this may result in the consent being withdrawn.
