**9<sup>th</sup> June 2025**

**The Occupier**

Dear Sir / Madam,

**Castle Green Laughton-En-Le-Morthen – Proposed School Keep Clear markings (No stopping Mon–Fri, 7:30am–5:00pm).**

As part of our ongoing commitment to improving road safety within the borough we are looking to introduce School Keep Clear markings (yellow zig zags) on Castle Green, adjacent to Laughton Junior and Infant School entrance.

The purpose of this proposal is to introduce a Traffic Regulation Order (TRO) that aligns with the School Keep Clear markings, ensuring the restriction is lawful and enforceable and that is consistent with other similar markings across the borough.

In accordance with the Local Authorities Traffic Orders (Procedure) (England and Wales) Regulations 1996, I should appreciate it if you would confirm within one month of the date of this letter that you have no objections to the proposals as shown on drawing 128/19/TT1226.

The Traffic Regulation Order for these restrictions will be advertised by Notice in the local press and on site. Objections to the proposed Order and other representations relating to it can be sent to Transportation Infrastructure Service at the address shown below or by using the email address at the top of this letter and must be received no later than the **7<sup>th</sup> July 2025**. All objections and other representations must be made in writing, and all objections must specify the grounds on which they are made.

Main Street  
Rotherham  
S60 1AE

Should no objections be received in respect of this scheme we are looking at undertaking works on site early next year, where we will endeavour to keep you up to date with any road closures or diversions required. In the meantime, if you have any queries regarding this scheme, please do not hesitate to contact us by one of the methods available at the top of this letter or by email at [Transportation@rotherham.gov.uk](mailto:Transportation@rotherham.gov.uk)

Yours faithfully

A handwritten signature in blue ink, appearing to be 'MH', with a large 'X' drawn over it.
