Hi All

Just to keep you all in the loop. I have received the following comment from one of the residents who made representations to the application.

I am very disappointed that the Police objection has now been watered down despite it being shown on BBC Look North television last week.

Regarding the reference to Look North. Here is the link to their website. [Objections to plans for outdoor events space in Rotherham village - BBC News](#) Not sure if this was broadcast on TV

Diane
