Subject: Jaxx Irish Bar Ltd

I would like to give my support to Jaxx Irish bar ltd in Wickersley' s Tanyard area in the old Greggs location.

Wickersley is sorely lacking a live music venue and micro bars are traditionally friendly venues. There are already a few around the area (Yellow Broom, Bean and Barrel, and Dragon's Tap among others). These venues rarely, if ever, cause problems for residents as all close before midnight.

A small bar offers a great alternative for those that don't want to have to deal with the ridiculous crowds in the masons or olive lounge pubs.

I also believe this would be a great business to support local independent artists (something which is sorely lacking in the area), and other local businesses.

The size of this establishment is very unlikely to add any further impact to local residents, and as a Wickersley resident myself I've seen firsthand the benefit that microbars bring to the area with pubs like yellow broom.
