| Reasons for the Decision:                                                                                           | There is a risk that without providing the proposed extension of the existing waiting restrictions, then vehicles may be parked in a location that affects the sight lines for drivers exiting the proposed residential development, with the potential for a collision to occur. |
| Details of alternative options considered and rejected:                                                             | No other options considered.
