MR. K. Battersby,
Planning and Transportation,
Bailey House,
Rawmarsh Road,
Rotherham.

Tuesday, 01 January 2008

Dear Mr. Battersby,

Re: proposed parking restrictions on Pleasley Road, Whiston, Rotherham. REF: 126/18/1307

Please find enclosed copy of signatures of Pleasley Road residents who are objecting to the above.

Yours sincerely,

David E. Sotheran (for Pleasley Road residents)

Pleasley Road. Proposed Waiting Restriction..

Attention: Mr. K. Battersby

Your ref: PH/KAC 126/18/1307

Pleasley Road residents Objection to Proposed Restrictions on Pleasley Road.

We the undersigned object to the above proposals for the following reasons:

- **There is not enough off road parking for residents who do not have drives or garages. Particularly families with more than one car.**
- **There will not be parking facilities for visitor's cars.**
- **There will not be parking for tradesmen's vehicles**
- **Skips will not be allowed on the roadside.**
- **Residents will not be able to load/unload vehicles outside their houses.**
- **The adjacent roads (Barfield, The Pieces etc.) are already *heavily congested* with resident's cars who have no private parking facilities.**
- **Access for large (inc. emergency), vehicles is very difficult and in some cases impossible to access these side roads without the extra burden of more parked vehicles.**

Pleasley Road is a two lane carriageway where roadside parking has caused little or no problems in the past for through traffic. Any existing problems are caused by current poor traffic management which can be resolved at little cost and no inconvenience to residents.

David E. Sotheran. (On behalf of Pleasley Road residents.) 60, Pleasley Road, Whiston. Tel: 374689.
