Dear Mr Pardy,

Further to your correspondence dated 12 August 2008 - the Chamber has concerns regarding the proposals as follows -

- 1 As you observe East Bawtry Road is subject to an improvement scheme - we find it difficult to reconcile the safety improvements with a reduction in speed limit.
- 2 Also as indicated in the plans, houses in the vicinity are not adjacent to the road but are accessed by service roads.
- 3 The difference in nature and character of this road is sufficient for the reasons outlined above to sustain the current speed limit.

In view of the above we wish to reserve our view on the overall proposals for the present time.

Regards,

Andrew
