

**APPENDIX C**  
**Boston Castle Grove**  
**Responses to Residents' Parking Scheme questionnaire**

Response	Q1 Support?	Q2 Days?	Q3 Hours?	Comments
1	Yes	Mon to Fri	09:00 to 16:30	The proposed residents' only parking bay during operational hours should be extended to the full length of Boston Castle Grove (where there are houses) as any household with more than one car will not be able to park outside their own house during operational hours
2	Yes	Mon to Fri	08:00 to 17:00	
3	No	-	-	
4	No	-	-	Only the 40-50 metres, between the second and third entry/exits to Thomas Rotherham Business (no longer just a college) need to be "double yellow lined"
5	Yes	Mon to Fri	08:00 to 17:00	As well as helping the congestion on the grove due to college traffic these proposals need to be put into place before the development of Boston Castle Park.
6	Yes	Mon to Fri	08:00 to 17:00	Not happy with the idea of coach loads of visitors going past my house as street extremely narrow as it is. If there is any other way into the park this would be great.
7	Yes	Mon to Fri	09:00 to 16:30	Even if the residents reject the proposed residents only parking the proposed no waiting at any time areas should proceed ASAP
8	Yes	Mon to Fri	08:00 to 17:00	I agree that residents parking would be a very good idea. As a resident I would NOT wish to pay for having this facility! I do not agree with double yellow lines on the Terrace. I believe if double yellow lines were placed on the Grove all vehicular traffic would use the Terrace for parking as overspill if residents only parking was not in place.
9	No	-	-	I don't know who keeps pushing these parking scheme proposals? I can only reiterate my previous comments that the parking and traffic problems on our streets are entirely due to the virtually uncontrolled expansion of TRC in recent years. An access directly onto Moorgate is obviously needed.
10	Yes	Mon to Fri	09:00 to 16:30	
11	Yes	Mon to Fri	08:00 to 17:00	
12	Yes	Mon to Fri	09:00 to 16:30	I think the stone terraced houses on Boston Castle Grove also need a residents only parking bay area. Would not wish to see the implementation of any kind of pay and display parking within the area of Boston Castle Grove or Boston Castle Terrace but would be quite happy to pay for residents only scheme.
13	Yes	Mon to Fri	08:00 to 17:00	
14	Yes	Mon to Fri	08:00 to 17:00	
15	Yes	Mon to Fri	08:00 to 17:00	With the co-operation of TRC opening their gates for footballers at the weekend. 7 days a week may be needed in view of expected visitors in future. Whilst the majority of residents would like some kind of parking restriction there may be reluctance to pay for permits. In view of the ATTACHED LETTER it is my opinion that the charge should be waived as the scheme is also in the councils interest.
16	Yes	Mon to Sat	08:00 to 17:00	Proposed moving residents parking bay to opposite side of road and make no waiting at any time continuous from the Cemetery to the Park Gates.

17	No	-	-	All the parking problems in this area are caused by persons directly or indirectly linked to TRC or sports centre. The land they have at the front of the main building could either be used for parking or access to parking at the rear thus freeing up Boston Castle Grove which is becoming a nightmare to gain access to out properties during term time. The responsibility and costs should be put to TRC and not the local residents who have to put up with this mess day in and day out. The problems are caused by the selfish students, parents and so called driving instructors who regularly park up at peak times and between them cause gridlock and an accident waiting to happen.
18	Yes	Mon to Fri	08:00 to 17:00	
19	No	-	-	We do not think it would help, rather hinder the residents of the area/terrace. Parking and access is only an issue in the grove Mon-Fri 08:00 to 09:00 then 3:30-4:30 college times.
20	No	-	-	Reject residents parking scheme why should residents be penalised another access road is needed for TRC and Boston Park. No where for visitors to park if we have two cars on drive plus no access for skip during building work.
21	Yes	Mon to Sun	08:00 to 17:00	The red line indicated on the map I believe are unnecessary. I would welcome a residents meeting with planning officers to discuss these proposals.
22	Yes	Mon to Fri	09:00 to 16:30	I am concerned about how this scheme will be enforced on a day to day basis.
