5<sup>th</sup> November, 2009

To: Wentworth North Safer Neighbourhood Team,

Further to the attached letter hand delivered to residents of Crown Street, Swinton earlier today.

As residents of Crown Street we are well aware of the long standing parking problems on the Street. These are not caused by the residents parking their cars outside their properties, but caused by the patients and visitors to the Crown Street Surgery ignoring the access only sign and parking on Crown Street when they visit the Surgery, despite there being 2 large **free** car parks in close proximity.

The Surgery are well aware of the ongoing problem of their patients/visitors parking on Crown Street and have a sign on the entrance to the Surgery asking them not to do so (although this sign until recently was covered by branches).

In the past residents requests for parking permits have been rejected, but as you state in your letter if there are indeed increased patrols in the area, these could ensure that permit holders only (i.e. residents) park on the Street, this would then ease the parking and access problems encountered by both residents and the Surgery.

Should you wish to discuss this further, please contact our residents' representative on this matter, Mrs. V. Norman (No. 3 Crown Street) on 01709 570661.

From: The Residents of Crown Street, Swinton

P. Norman 3 crown st.	A. Downey 8 crown st
J. Licence 5 crown st.	S. Frost 1 crown st

- PTO -

Some of the ongoing  
Issues/problems the residents  
have/are encountering:

- Blocked driveway (No. 2)
- Coal unable to be delivered as car parked over coal bunker under bay window (No. 13)
- Cars parked right up to front doors unable to get out of house (all on left-hand side of Street)
- \*child nearly ran over\* (No. 4)
- Cars bumped/scraped (all)
- Surgery visitors "parking wrong" causing even more congestion problems (all)

**stronger together • safer together**

Dear Resident

You may be aware that there has been an increase in problems caused by parking in the area adjacent to the doctor's surgery.

Whilst we appreciate that residents need to park their vehicles it would be much appreciated if you would consider the needs of patients and emergency vehicles and assist by ensuring that parked vehicles do not obstruct junctions and entrances.

Please be aware that there are increased patrols in the area and your co-operation in this matter would be much appreciated.

Should you wish any further information in relation to this or any other matter, contact your Safer Neighbourhood Team on the phone number below.

I thank you for reading this letter.

If you wish to contact us regarding this matter, then please contact **Wentworth North Safer Neighbourhood Team on 01709 832485 between 08.00hrs- 16.00hrs, Monday-Friday and ask to speak to one of the Safer Neighbourhood Team, alternatively please call South Yorkshire Police on 01142 202020.**
