Discussion and a question and answer session ensued focusing on the review recommendations and the following issues were covered:-

- need for, and frequency of, regular meetings between overview and scrutiny chairs and Cabinet
- value in scrutiny chairs attending cabinet member meetings and cabinet members attending scrutiny meetings unless specifically invited for a particular item
- perception amongst some elected members that the present governance arrangements of a cabinet system was non democratic and not as inclusive for members as the old 'committee' system
- need to develop clear work programmes
- citizenship sessions and need for elected members to inform partners/public about the role of a councillor/scrutiny
- need for a co-ordinated role and work programme regarding children and young people's services

- responsibility for scrutinising the crime and disorder function
- membership and commissioning role of the proposed overview and scrutiny management board
- optimum number of scrutiny panels
- whether or not a panel needed to be dedicated exclusively to children and young people's issues
- proposed scrutiny panels not to be aligned to directorates
- involvement of statutory co-optees
- extent of review work
- titles of the scrutiny meetings going forward

Resolved:- (1) That, as far as this Committee is concerned, approval be given to the proposal to establish an Overview and Scrutiny Management Board to lead and manage the overview and scrutiny function, coordinate its workload and commission pieces of work.
