Information regarding refused licences

- We have had a licence refused by Kettering Council. This happened because we did not make it clear how much as a % we donated to the charity. We have applied again stating that we actually donate 82% of the proceeds to Little Treasures Children's Trust and as such they have now granted us the licence.
- Isle of Man Council refused the licence because Little Treasures Children's Trust is not a local charity.
- South Lakeland refused the licence because we did not supply the correct information at the time. They have since granted us the licence.
- Eden District Council refused the licence because at that time we did not donate enough % to the charity.
- We have never had a Licence revoked

"LET US MAXIMISE THE BENEFITS TO YOUR GOOD CAUSE"

Textiles Recycling

Textiles are the fastest-growing waste product in the UK.

The statistic shows that we buy more clothes and textiles than ever, and most of them end up in landfill.

We actively participate in reduction of textile waste for the benefit of our environment.

We take care of every item that reaches our factory. Every garment finds its destination, instead of ending up in landfill.

Not all the items meet the requirements to be exported and those items are sent to specialist fibre plants in England for further recycling. We provide raw materials to the "wiping" and "bedding" industries.

Our employees are fully trained in grading of all kind of textiles.
