

**'Special' Event for Elected Members and
Parish Councillors**
PROJECT ARGUS
Protecting against terrorist attack

**Project ARGUS is a
National Counter Terrorism
Security
Office (NaCTSO) initiative,
exploring ways to aid in
preventing, handling and
recovering from terrorist
attack. It achieves this by
taking delegates through a
simulated terrorist incident.**

**This simulation provides a
unique opportunity to both
learn from and contribute
to valuable lessons helping
to protect you and your
community.**
