Appropriate site and facilities in Rotherham to be identified that will achieve improved outcomes and better VfM. Proposal is now to redevelop existing site rather than develop new facilities elsewhere.	CW/AH	Completed	14, 18

Appendix 1 - Corporate Plan Links

Where we need to make the most difference:

1. Increasing income levels through jobs, training, and benefits
2. Increasing opportunities for people to get jobs
3. Reducing the number of homes without central heating and loft insulation
4. A healthier start in life for children.
5. Increasing the number of children doing well in school, particularly primary schools
6. Increasing the number of people visiting the town centre
7. Increasing the number and variety of businesses in the town centre
8. Increasing the number and quality of jobs available to Rotherham people
9. increasing the number of young people aged 16-19 who are in jobs, education or training
10. Increasing the number of babies and young children who are ready for learning
11. Increasing the number of adults with qualifications
12. Increasing the number of people entering higher education.
13. Dealing with referrals and assessments of children and families quickly and effectively
14. More children and families being supported earlier on, by appropriate agencies
15. Reducing the number of children in the Council's care and the numbers placed outside of Rotherham

16. Increasing the number of vulnerable adults living independently
17. Increasing the number of carers being supported
18. Offering a high standard of care to children and adults as assessed by Ofsted and Care Quality Commission
19. Increasing the number of people who have control of a personal budget to buy care which best meets their needs.
20. Increasing the number of houses people can afford
21. Make it easier for people to get a home in Rotherham
22. Improving the quality of the Council's houses
23. Reducing crime and anti social behaviour
24. Promoting healthier lifestyles
25. Reducing the numbers of children injured or killed in road traffic accidents
26. Reduce the number of empty homes in Rotherham.
27. Reducing the amount of rubbish that is sent to landfill
28. Reducing pollution locally and making sure the way we work uses less resources, produces less waste & less carbon emissions
29. Reducing the risk of floods.
