

## Examples of YHGfL in Rotherham:

YHGfL work directly with Rotherham schools and provide indirect benefits to the local authority through it's regional work with Sheffield Hallam and CPD courses available to a discounted price to all consortium members. In particular, a number of schools use the YHGfL 'blogging' service:

- Anston Park
- The Ellis Infant school
- Thorngate

In addition YHGfL are actively involved in Rotherham delivering the eSafety agenda:
