Rother Crescent, Treeton
PROPOSED TRAFFIC CALMING

Name 
Address  ROTHER CRESCENT
TREETON
ROTHERHAM
Postcode S60 5QY

Please use the space below for your comments.

WE were aware that road humps were going to be place across the road in Rother crescent. but our objection is to the one on the corner or near to the junction towards the School entrance.

We are concerned because of parking issues that are still happening with school start + finish times. IF the parking on the corner can be resolved then the safety of the children going into School would be resolved.

Is it nessersary for this one to be there as you are placing one further down the road outside the big six also. To be honest we don't think the placing of them will make much difference unless the road undergoes further parking restrictions at certain times of the day.

Please return this form to us in the envelope provided by 25th November 2011.

Note that details of any representations or objections received may be made available for inspection at council meetings and other forums, or supplied to members of the public and others in response to requests for information under the Freedom of Information Act.
