Dear Mr Bates

I am writing to you on behalf of
the residents on Pagenall Drive.
Please find enclosed a petition
signed by everyone regarding the
grass verges.

We would like to know if there
is any chance that we could
have them tarmaced.

We have had a lot of workmen
working the last few months
and the street looks a mess.
It would make the street look
better and much tidier

Thank you

M. J. a Batham
