Chief Executive Officer – Martin Kimber
Rotherham Metropolitan Borough Council
Riverside House,
Main Street,
Rotherham.
S60 1AE.

Dear Sirs,

**Safe Available Route to School – Aston Fence J & I School and
Aston Academy**

I write on behalf of many parents within Orgreave who have serious concerns at RMBC's decision to cease providing the free travel from the Orgreave estate to both Aston Fence Junior & Infant School and Aston Academy.

Parents of children who attend the above named schools are in receipt of the Risk Assessment and Traffic Census/Gap Count, carried out by your Mr Andrew Lee and Mr Nigel Davey.

We do not believe that the '*suitable walking route to school*' is safe. The route highlighted in your assessment sends children (as young as 4 years old) across a very busy carriageway (BS6200) with a '*national speed limit*'. Even though Primary School children would be supervised by a parent/adult, we believe this is unsafe as traffic approaches this roundabout at speeds in excess of 50mph. Vehicles also use the outside lane when approaching this roundabout from the BS6200 – these vehicles would not see children waiting to cross over the busy road or if a vehicle in the inside lane is letting a child/adult cross over safely they may not see this.

The Risk Assessment states that there is no longer any traffic movement in or out of the former Laycast site on Retford Road. However, I believe that RMBC have approved planning permission for an industrial estate to be built on this site. I can confirm that this is already a busy site with

Heavy Goods vehicles accessing the site whilst work is being carried out. This junction will see an increase in traffic when the work is complete and the industrial units are built.

I would also like to bring your attention to the roundabout which is raised from the road. This prevents both drivers seeing someone crossing over the busy road and the pedestrian from seeing which way the car is going i.e. up Fence Hill or towards Sheffield Road. This in my opinion is the most dangerous place to cross for a child/adult.

RMBC have ignored constant requests from member of the public, the School Headteacher and the Local Parish Council to reduce the speed outside Aston Fence Junior & Infant School, which is a 40mph road.

This has therefore left us with no alternative but to petition against your decision and ask that you re-instate this service for the safety of the children travelling to and from school.

By ceasing this service – for a saving of £11,400 a year you will be putting children's lives in danger.

Please find enclosed over 300 signatures from local residents who oppose your plans.

Yours faithfully

Mr T. Spencer

Orgreave Parish Council
Mr Richard Russell, Councillor

PETITION

WE THE UNDERSIGNED OPPOSE THE PLANS OF RMBC TO CEASE THE FREE TRAVEL/BUS SERVICE FOR THE CHILDREN OF ORGREAVE (SERVING BOTH ASTON FENCE J & I SCHOOL AND ASTON ACADEMY).

WE BELIEVE THAT IT IS STILL NOT SAFE FOR CHILDREN TO WALK TO SCHOOL ACROSS ROADS THAT HAVE SPEED LIMITS BETWEEN 40MPH AND THE NATIONAL SPEED LIMIT.

ALSO, STOPPING THE FREE BUS SERVICE TO THE ORGREAVE ESTATE WILL INCREASE CAR PARKING OUTSIDE BOTH SCHOOLS – RESULTING IN CONGESTION TO LOCAL RESIDENTS.

PETITION

WE THE UNDERSIGNED OPPOSE THE PLANS OF RMBC TO CEASE THE FREE TRAVEL/BUS SERVICE FOR THE CHILDREN OF ORGREAVE (SERVING BOTH ASTON FENCE J & I SCHOOL AND ASTON ACADEMY).

WE BELIEVE THAT IT IS STILL NOT SAFE FOR CHILDREN TO WALK TO SCHOOL ACROSS ROADS THAT HAVE SPEED LIMITS BETWEEN 40MPH AND THE NATIONAL SPEED LIMIT.

ALSO, STOPPING THE FREE BUS SERVICE TO THE ORGREAVE ESTATE WILL INCREASE CAR PARKING OUTSIDE BOTH SCHOOLS – RESULTING IN CONGESTION TO LOCAL RESIDENTS.
