

Dear Headteacher,

I write to inform you of SACRE's intention to conduct a formal review of Collective Worship for implementation in 2013. To facilitate this, I invite you to submit photo/video footage of the much existing good/outstanding practise across Rotherham for use during an official launch to Hannah.Etheridge@rotherham.gov.uk by Monday 1st July 2013. It is our hope, SACRE's final publication will clarify both the legal requirements and identify potential obstacles/ benefits.

Yours sincerely,

Miss V. Gregory
