4.	Directorate:	Neighbourhood & Adult Services and Resources

5. Summary

On 5th December 2012 (Minute Number 105 refers) Cabinet received a report which set out the findings and recommendations of the scrutiny review of District Heating, undertaken by the Self-Regulation Select Commission (attached). The review was endorsed by the Commission and OSMB at their respective meetings of 22 November 2012 and 30 November 2012.

As outlined in the Council's Constitution, Cabinet's response to the Scrutiny Review is to be fed back to OSMB within two months. An outline response to these recommendations is attached at Appendix A for Cabinet's approval.

6. Recommendations

That

- The Cabinet considers the attached response (Appendix A)
- The Cabinet notes that enactment of some recommendations may result in a need for increased budget provision but that requests will be made through the Housing Revenue Account' business planning process.
- The Cabinet response to the Scrutiny Review is submitted to the next available Overview and Scrutiny Management Board.

7. Proposals and Details

7.1 On 5th December 2012 (Minute Number 105 refers) Cabinet received a report which set out the findings and recommendations of the scrutiny review of District Heating, undertaken by the Self-Regulation Select Commission. The review was endorsed by the Commission and OSMB at their respective meetings of 22 November 2012 and 30 November 2012.

7.2 As outlined in the Council's Constitution, Cabinet's response to the Scrutiny Review is to be fed back to OSMB within two months. An outline response to these recommendations is attached at Appendix A for Cabinet's approval.

8. Finance

8.1 Recommendations 3 to 6 inclusive and 13, may impact on the charges levied to service users; any change will be subject to Cabinet support in the annual review of charges process.

8.2 Recommendation 1, 7 to 11 and 14-16 inclusive, have been accommodated for, either within existing resources or in the 2013/14 (and subsequent years) Planned and Capital Investment Programme which is funded by the Housing Revenue Account.

8.3 The outcome of Recommendation 12 and implementation of Recommendation 13 may require additional capital investment and this will be subject to either an in-year or subsequent year application for investment through the HRA 30 year Business Planning process.

9. Risks and Uncertainties

Failure to ensure the full recovery of district heating costs in the long term may have an impact on the Housing Revenue Account.

10. Policy and Performance Agenda Implication,

The review links to the following Corporate Plan priorities:

- Making sure no community is left behind:
 - less people struggle to pay for heating and lighting costs
- Helping to create safe and healthy communities:
 - people are able to live in decent affordable homes of their choice
- Improving the environment:
 - reduced CO2 emissions and lower levels of air pollution

Appendix A: Cabinet's Response to Scrutiny Recommendations (*District Heating Review – November 2012*)

Recommendation	Cabinet Decision <i>(Accepted/ Rejected/ Deferred)</i>	Cabinet Response <i>(detailing proposed action if accepted, rationale for rejection, and why and when issue will be reconsidered if deferred)</i>	Officer Responsible	Action by (Date)
<p><u>Recommendation 1</u> Lead revenue and capital expenditure officers are identified from within Contract and Development Services (C&DS) and Strategic Housing Investment Team (SHIS) and monthly monitoring is undertaken with a representative from Neighbourhood and Adult Service's (NAS) Finance support to ensure prudent budget control.</p>	Accepted	Cabinet welcomes the recommendation of monthly monitoring.	Contract & Service Development Manager, Strategic Housing Investment Service Manager, NAS Principle Finance Mngr	Commence monthly from January 2013
<p><u>Recommendation 2</u> Metering and tamper-proof temperature control of common areas and community centres will ensure fairer arrangements are made for individual energy use.</p>	Accepted	Cabinet recommends that investment in communal areas and community centres is ordered in such a way as to ensure that it is consistent with the priority identified in the recent strategic review of community centre use.	Strategic Housing Investment Service Manager	Planned capital investment programme to commence over 5 years to start 2013/14.
<p><u>Recommendation 3</u> A review of charges and creation of a mechanism for annual review will ensure that the fuel cost in providing DH can be fully</p>	Accepted	Cabinet accepts that the principle of full cost recovery should be adopted. However this may require a phased approach to limit unforeseen and unaffordable increases impacting on tenants.	NAS Principle Finance Manager	This principle is adopted in the most recent charging review report of district

recovered from residents and those responsible for communal areas				heating.
<u>Recommendation 4</u> That the review of charges accurately reflects the actual cost of fuel and other direct costs of heat production and service provision	Accepted	Cabinet welcomes this recommendation	NAS Principle Finance Manager	This principle is adopted in the most recent charging review report of district heating.
<u>Recommendation 5</u> Complete the initial and subsequent annual review of DH separately from the annual rent review. Convergence of DH costs for the 1,400 DH users should not be associated with rent review for 21,000 users but overall consideration of financial impact should still be made to ensure that charges are affordable and accommodate provision for bad debt.	Accepted	To fit in with Council budget setting processes, it will be necessary to complete both rent and district heating reviews within the same reporting period. However they will be considered independently of each other and subject to separate reports.	NAS Principle Finance Manager	This has been adopted for the 2013/14 budget.
<u>Recommendation 6</u> That the recommendations in the Internal Audit Report of DH Schemes 2012/13 be implemented.	Accepted	Cabinet recommends that the Internal Audit Report recommendations are monitored via the Housing Excellence Plan and through financial service monitoring processes.	NAS Principle Finance Manager	In line with the timeframes set by Internal Audit.
<u>Recommendation 7</u> That a full Stock Condition Survey	Accepted	Cabinet welcomes the recommendation	Strategic Housing Investment	Design Brief by April 2013.

of all schemes is carried out forthwith, taking into account the boiler house, plant, infrastructure (distribution system), presence of controls both in communal areas and dwellings and the configuration of meters.			Service Manager	Surveys Complete by July 2013.
<u>Recommendation 8</u> That a database is created that captures the Stock Condition Survey outcomes as well as asbestos, health and safety data and servicing schedules.	Accepted	Cabinet further recommends that provision should be made to ensure that the data is transferred to the new integrated Housing Management System (IHMS).	Strategic Housing Investment Service Manager, C&DS Mngr	Commence August 2013 & transfers to new IHMS in accordance with the Phasing Plan
<u>Recommendation 9</u> That a revenue spend profile and capital investment plan is created for each scheme and resourcing of that plan is supported by the Housing Revenue Account 30 Year Business Plan.	Accepted	Cabinet recommends that this plan is then monitored at the monthly triangulation meeting established under Recommendation 1. Also that delivery of Recommendation 13 (pilot scheme at Fitzwilliam Estate, Swinton) is included in the profile and monitoring process.	Contract & Service Development Manager, Strategic Housing Investment Service Manager	Draft plan commences August 2013 for implementation from 2014/15 onwards.
<u>Recommendation 10</u> All future investment in DH should incorporate where possible funding opportunities presented through ECO-obligations and Greendeal.	Accepted	Cabinet welcomes the recommendation and considers that consideration should be given to leveraging inward investment into all schemes as part of the Planned and Capital programming of works.	Strategic Housing Investment Service Manager, C&DS Mngr	As opportunities present.
<u>Recommendation 11</u>	Accepted	Cabinet recommends that this approach is then recorded at the monthly triangulation	Contract & Service	Draft plan commences

<p>On the outcome of the Stock Condition Survey implement a hierarchical approach to investment in DH schemes to:</p> <ul style="list-style-type: none"> - Improve existing viable schemes - Remove non-viable schemes and replace with the most effective alternative 		meeting established under Recommendation 1	Development Manager, Strategic Housing Investment Service Manager	August 2013 for implementation from 2014/15 onwards.
<p><u>Recommendation 12</u> Enable a mini-competition for heating and hot water providers to explore solutions for Beeversleigh and which maximizes potential to draw in ECO funding.</p>	Accepted	Cabinet welcomes the recommendation	Strategic Housing Investment Service Manager	Brief preparation November 2013, Competition February 2014, Implementation 2014/15
<p><u>Recommendation 13</u> Support a pilot to replace one scheme at Fitzwilliam, Swinton with individual boilers (subject to gas network) to enable cost in use comparison between schemes and take into account service user satisfaction</p>	Accepted	Cabinet recommends that the Chair of Fitzwilliam Estate Sub Group is involved with consultation in the selection of the block to pilot. Careful consideration will be required prior to initiation, to ensure that any potential pilot is likely to offer an effective, cost efficient service to residents.	Contract & Service Development Manager, Strategic Housing Investment Service Mngr	Scope & Design March 2013, Implementation First quarter 2013 Monitoring for 12 months & Review 2 nd quarter 2014
<p><u>Recommendation 14</u> That service users are contacted to seek their contact details and preference for failure notifications and that this information is securely communicated to</p>	Accepted	Cabinet recommends that this approach should be applied to other areas of the housing information systems	Strategic Housing Investment Service Manager	January to March 2013

contractors associated with DH repair and maintenance.				
<u>Recommendation 15</u> Enable a series of information sharing sessions for DH Scheme users to raise awareness about energy usage and efficiency.	Accepted	Cabinet welcomes the recommendation and recommends that Ward Members and TARAs are informed and included in the sessions where appropriate.	Strategic Housing Investment Service Manager	April to August 2013
<u>Recommendation 16</u> That Members of Self-Regulation Select Commission (or any successor body) assumes a monitoring role to ensure that the progress on the implementation of agreed recommendations is maintained.	Accepted	Cabinet recommends annual monitoring, set to accommodate the annual review of charges process and which avoids year end accounting procedures.	Contract & Service Development Manager, Strategic Housing Investment Service Manager, NAS Principle Finance Mngr	To coincide with a suitable meeting, preferably in July.
