

## ROTHERHAM METROPOLITAN BOROUGH COUNCIL

### CONSULTATION ON ADMISSION ARRANGEMENTS FOR THE ADMISSION YEAR 2014/15 AND ON THE 'RELEVANT AREA' FOR CONSULTATION IN 2014/15.

#### i) Admission Numbers and Admissions Criteria

This item gives governors the opportunity to consider the admission arrangements (criteria and admission number), which will apply for admission in 2014/15. The Local Admission Forum has previously considered the requirements for consultation and has agreed that the LA should facilitate this, as far as possible, by use of the Authority's Internet site.

The timetable for the year is:-

Autumn Term 2012

Governing bodies consider the arrangements which will apply.

By 7th December 2012

All relevant details to be forwarded to the LA.

7th January – 1st March 2013

Period of consultation via the LA's website.

By end of March

LA and the Local Admission Forum consider any changes and forward any comments to appropriate Admission Authority(ies). Cabinet Member approval of arrangements.

By 15<sup>th</sup> April 2013

All admission authorities to determine their arrangements and notify those consulted.

#### **Community and Controlled Schools**

For these schools, the LA is the admission authority. The admissions criteria for 2013/14 are shown at Appendix 1.

**The proposed changes to the admission criteria are set out below and will apply for 2014/15.**

Each school's proposed admission number is shown at Appendix 2.

**Action:** The Governing Body is requested to complete and return the pro-forma to Dean Fenton/Chris Stones, SAOENAS, Wing A, 1<sup>st</sup> Floor, Riverside House, as soon as possible and no later than 7<sup>th</sup> December 2012.

#### **Voluntary Aided Schools/Academies/Trust Schools**

The governing body is the admission authority. Full consultation is required.

If there are any proposed changes at Church of England schools, Governing Bodies should consult their Diocesan Board before consulting anyone else.

**Action:** Governing Bodies to consider both the admissions criteria and the admission number appropriate for the school. Full details of the admissions criteria and admissions number to be forwarded to the LA by 7<sup>th</sup> December 2012 to enable the full consultation with all the appropriate consultees to be carried out via the Internet. This should be done by e-mail to [Dean.Fenton@rotherham.gov.uk](mailto:Dean.Fenton@rotherham.gov.uk) [Christopher.Stones@rotherham.gov.uk](mailto:Christopher.Stones@rotherham.gov.uk)

**Pro-forma to be completed and returned as for community and controlled schools.**

### **Further General Points**

All admission numbers should be set by reference to the indicated admission number (IAN) deriving from the net capacity calculation.

An admission number higher than the IAN can be set, subject to the necessary consultation, feedback and determination.

An admission number lower than the IAN can be set, subject to the above, but would also require the publication of a notice with provision for objection to the Adjudicator.

All infant, J&I, Primary schools need to continue to be mindful of the need to maintain classes from FS2 to Y2 at 30 or less.

If you require any further information or would wish to discuss any matters relating to admission numbers/criteria/net capacity, please contact Dean Fenton/Chris Stones on 01709 254821/253831.

#### ii) **Co-ordinated Admission Arrangements**

The Authority co-ordinated admission arrangements during the normal admission round and in-year admissions for all year groups. The new School Admissions Code which came into effect in February, 2012 stated that there is no requirement to co-ordinate in-year admissions. Rotherham, along with many neighbouring Local Authorities proposes to continue to co-ordinate in-year admissions, as far as is possible. The Local Admissions Forum has expressed its collective view that this continues to be good practice and that they fully support co-ordinated admission arrangements. For 2014/15 there will be a few minor date changes to the Co-ordinated Schemes and it is noted that the new Schools Admissions Code specifies that the Primary Schools Offer Day from 2014/15 onwards is 16 April.

**Action:** To note the information.

#### iii) **Waiting List**

The Authority currently maintains waiting lists for pupils applying during the normal admission round. The Admissions Code of Practice required that waiting lists are in place and continue for at least the first term of the academic year. There are no proposed changes for 2014/15.

**Action:** No action required

**iv) Local Authority 'Admission to School' Booklets.**

The local Authority had previously supplied a hard copy of the 'Admission to School' booklet to every parent applying for 'Admission to Primary School' and for 'Admission to Secondary School'. The information contained in the booklets is freely available on the Local Authority Website along with details on how to make an on-line-application. The Authority is currently able to satisfy above 90% first preferences for primary and secondary school. Much of the information in the booklet is surplus to most parents' applications (most booklets are discarded once the application has been submitted). Where parents are unsuccessful with their application separate guidance is available on the appeal procedures. Many other neighbouring authorities now produce only a summary of the information which is sent to all parents with detailed information available on request or via the website. In 2010 the Rotherham Authority made a decision, prompted by the current financial position to adopt a similar policy and booklets were only to be provided upon request. All parents received a short summary explaining how to apply for a school place, a copy of the Common Application Form and information on how to access the on-line system.

***Action:* Governing Bodies to note that the Local Authority wishes to maintain the decision to only send a summary of the information contained in the admissions booklet to parents with full copies available on request and/or via the rotherham.gov.uk website.**

**v) Consideration of the 'relevant area'**

Every two years, the Authority must review its determination of the 'relevant area' for the purposes of admissions consultation. This requires consultation with all schools in Rotherham, together with all primary schools lying within 1 mile of any border and all secondary schools lying within 3 miles. Since the inception of this requirement (in 1999) the determined area has been the whole of the Rotherham borough. There have been no objections to this and no change to the 'relevant area' is proposed for consultation on admissions in 2014/15.

***Action:* Governing Bodies to note and to forward any comments, if any, on the proforma.**

**The admission criteria for community and controlled schools for 2014/15 is shown below.**

It should be noted that for a number of years the D.f.E. has given priority to looked after children. The new School Admissions Code which came into effect on February, 2012 has also prioritised previously looked after children. This is shown in the criteria below.

**Primary Reception**

**Places will be allocated in the following order of priority:**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children. (see note 3 below).
- ii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**.
- iii) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school or its associated junior school at the time of their admission. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school or its associated junior school at the time of their admission.
- vii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

**Year 3**

**Places in Year 3 at a Junior School will be allocated in the following order of priority:-**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children in attendance at Y2 in the associated Infant School.
- iii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school at the time of their admission.
- vi) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vii) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school at the time of their admission.
- viii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

## **Secondary Year 7**

### **Places will be allocated in the following order of priority:-**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children who on the closing date have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular** school essential. Parents should ensure that they attach full supporting information to the Common Application Form.
- iii) Children who on the closing date have a compelling social reason which the Authority is satisfied make attendance **at that particular** school essential. The kind of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.

- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2014.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2014.
- vii) Children who on the closing date are on the roll of one of the associated Primary/Junior/Junior and Infant schools as identified by the Authority.
- viii) Children who on the closing date live nearest to the school measured by a straight line on a horizontal plane, (commonly known as measurement, “as the crow flies”).

## Notes

1. Where the admission number for any school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those living closest to the school measured in a straight line on a horizontal plane (commonly known as measurement, “as the crow flies”).
2. Where any final place at a school is available and two or more pupils are judged to be living equidistant from the school (e.g. in flats), the final place will be allocated by the drawing of lots by officers of the authority.
3. A ‘relevant looked after child’ is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). For further information please refer to the Admissions Code of Practice which can be downloaded from [www.dfe.gov.uk](http://www.dfe.gov.uk)

4. Places will be allocated in accordance with the LA’s co-ordinated admissions schemes for Primary and Secondary schools. In assessing preferences, the LA will operate an ‘equal preference’ system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest ranked of the potential offer schools.
5. Children issued with a statement of Special Educational Needs will gain a place at the school named in the statement as part of that process.

## **Feedback from the annual admissions consultation**

### **A Community and Controlled Schools**

#### **i) Admission numbers**

The following matters have been raised:-

#### **Kilnhurst Primary**

The school raised the following concern:

Governors are very concerned that children in our Foundation 1 class, whose parents/carers have enrolled them because they want to remain at our school, may not be granted a place in Foundation 2 under the present system of allocation. Governors would like it to state that children currently attending Foundation 1 at Kilnhurst Primary, should have priority over children who live in the catchment area but have not attended our Foundation 1.

**This would require a review of Admissions Policy for the whole of the Authority which would have a detrimental effect on some schools. The governing body have received a letter of explanation from the LA.**

#### **Kiveton Park Infant School**

The school raised the following concern:

An increase of two to take account of the future increase in housing in the area and the fact that our own Nursery is one short of capacity and therefore we may experience over subscription from next year.

**This number should be agreed.**

#### **St Mary's Catholic Primary (Herringthorpe)**

The school raised the following concern:

30 is a realistic number with Infant Class size legislation.

**This number should be agreed.**

### **Swinton Brookfield Primary**

The school raised the following concern:

Swinton Brookfield currently has a number of issues regarding both its standards and structures. An admission number of 30 for 2014/15 would allow the school to operate its Foundation Unit as is recommended and therefore meet the needs of the community it serves and more importantly its children. The number would allow the school to take in 30 children as an FS2 cohort with 30 FS1 children receiving 3 hours enhanced provision each day with 15 in the morning and 15 in the afternoon.

**The LA has agreed to a reduction in the admission number from 50 to 45 to support the school to be able to structure classrooms effectively and efficiently.**

### **Clifton Comprehensive**

The school raised the following concern:

Due to falling roles in Rotherham and to protect against in-year mobility, therefore we suggest the admission number for the school is 225.

**The current published Admission Number is 250 and the net capacity is 1251. The request by Clifton Comprehensive School to reduce the planned admission number from 250 to 225 is noted, but however given the rapidly increasing Primary pupil numbers on roll in the Clifton learning community and eventual impact on the Secondary School, the LA needs to retain as much space as it can in the school and would not want the capacity to be reduced. It is proposed that the admission limit remain at 250 in order that the school can continue to accommodate all the pupils who may wish for a place in their local school.**

## **B) Co-ordinated Schemes**

For the school year 2014/15 the Authority consulted on the proposal to continue with the current co-ordinated schemes save for any necessary minor changes to dates.

Neighbouring Local Authorities which share a border with Rotherham have consulted on the following arrangements:-

### **Barnsley**

Co-ordinating relevant year transfers within and beyond Barnsley.  
Co-ordinating in year transfers within Barnsley only.

### **Doncaster**

Co-ordinating relevant year transfers within and beyond Doncaster  
Co-ordinating in year transfers within and beyond Doncaster.

## **Sheffield**

Co-ordinating relevant year transfers within and beyond Sheffield

Co-ordinating in year transfers within and beyond Sheffield

## **Nottinghamshire**

Co-ordinating relevant year transfers within and beyond Nottinghamshire.

Co-ordinating in year transfers within and beyond Nottinghamshire

## **Derbyshire**

Co-ordinating relevant year transfers within and beyond Derbyshire.

Co-ordinating in year transfers within Derbyshire only.

## **Feedback from the Co-ordinated Schemes consultation**

Nottinghamshire County Council raised some minor comments about the dates in the Primary and Secondary co-ordinated schemes.

**Rotherham will continue to coordinate as fully as possible with neighbouring Local Authorities.**

## **2. Required publication where an admission number is less than that indicated by the current net capacity calculation for the school**

There remains a requirement for a notice to be published should any admission authority wish to have an admission number, which is lower than that indicated by the current net capacity calculation. For 2014/15, this would apply to the following schools:-

<b>School</b>	<b>Change</b>	<b>Comments</b>
Aston Comprehensive - A Specialist School in Maths and Computing	280 rather than 286	Pressure on the school's accommodation as agreed for 2011/12 and 2012/13
St. Bernard's Catholic High, A Catholic Voluntary Academy	140 rather than 158	Pressure on the school's accommodation as agreed for 2011/12 and 2012/13
Thurcroft Junior School (Academy Trust)	70 rather than 90	Large classrooms inflate the capacity calculation
Saint Pius X Catholic High School - A Specialist School in Humanities	130 rather than 137	The new sports hall inflates the capacity calculation
