7. Proposals and Details

The table below shows the summary forecast outturn position against the approved Net Revenue Budgets:-

SERVICE AREA	Net Budget	Forecast Outturn	Variance from Net Budget Deficit/ (Surplus)	% Variation to Net Budget
	£000's	£000's	£000's	%
Safer Neighbourhoods	1,202	1,215	+13	+1.08
Business Regulation	208	178	-30	-14.42
Housing & Communities	264	257	-7	-2.65
Strategic Housing & Investment	188	190	+2	+1.06
Housing Options	291	291	0	0
Central	310	302	-8	-2.58
TOTALS	2,463	2,433	-30	-1.22

The main variations against budget can be summarised as follows:-

7.1 Safer Neighbourhoods (+£13k)

The main budget pressure is in respect of staffing cost pressures due to lower than expected staff turnover within Community Protection. Some savings are being made through vacancy management but there is also a pressure on income due to reduced EPA applications, leaving a forecast under spend of -£5k. Also, essential health and safety work on Landfill Sites is resulting in a forecast overspend of £18k.

7.2 Business Regulation (-£30k)

Overall Business Regulation is projecting an under spend of -£30k. Pressures on staffing costs within Health and Safety, Food and Drugs and Animal health budgets are being offset by additional income from Dignity contract and savings within Trading Standards and Licensing due to vacant posts.

7.3 Housing & Communities (-£7k)

This service area is projecting an overall under spend of -£7k due to forecast under spends on Supplies and Services as a result of the moratorium on non-essential spend.

7.4 Strategic Housing & Investment Service (+£2k)

The SHIS team budget has an overall pressure of +£2k as a result of a small shortfall on the staffing budget.

7.4 Central (-£8k)

At this stage a small under spend is forecast due to savings on supplies and services.

7.5 Agency & Consultancy

To date there is no spend on either Agency or Consultancy within Neighbourhoods General Fund Budgets.

8. Finance

The financial implications for each service area have been outlined in Section 7 above.

9. Risks and Uncertainties

These forecasts are based on financial performance to the end of August 2013. The forecast outturn is dependent on delivery of planned management actions being achieved and thus effective and tight financial management practices remain essential including holding monthly budget clinics with the Service Director and senior managers.

10. Policy and Performance Agenda Implications

The delivery of the Council's Revenue Budget within the limits determined in March 2013 is vital to achieving the Council's Policy agenda. Financial performance is a key element within the assessment of the Council's overall performance.
