

**ROTHERHAM METROPOLITAN BOROUGH COUNCIL -  
REPORT TO GOVERNING BODIES – AUTUMN TERM 2013**

**CONSULTATION ON ADMISSION ARRANGEMENTS FOR THE ADMISSION YEAR 2015/16.**

**i) Admission Numbers and Admissions Criteria**

This item gives governors the opportunity to consider the admission arrangements (criteria and admission number), which will apply for admission in 2015/16. The Local Admission Forum has previously considered the requirements for consultation and has agreed that the LA should facilitate this, as far as possible, by use of the Authority's Internet site.

The timetable for the year is:-

Autumn Term 2013	Governing bodies consider the arrangements which will apply.
By 7th December 2013	All relevant details to be forwarded to the LA.
7th January – 1st March 2014	Period of consultation via the LA's website.
By end of March	LA and the Local Admission Forum consider any changes and forward any comments to appropriate Admission Authority (ies). Cabinet Member approval of arrangements.
By 15 <sup>th</sup> April 2014	All admission authorities to determine their arrangements and notify those consulted.

**Community and Controlled Schools**

For these schools, the LA is the admission authority. The admissions criteria for 2014/15 are shown at Appendix 1.

**The proposed changes to the admission criteria are set out below and will apply for 2015/16.**

Each school's proposed admission number is shown at Appendix 2.

**Action: The Governing Body is requested to complete and return the pro-forma to Dean Fenton/Chris Stones, SAOENAS, Wing A, 1<sup>st</sup> Floor, Riverside House, as soon as possible and no later than 7<sup>th</sup> December 2013.**

**Voluntary Aided Schools/Academies/Trust Schools**

The governing body is the admission authority. Full consultation is required.

If there are any proposed changes at Church of England schools, Governing Bodies should consult their Diocesan Board before consulting anyone else.

**Action:** Governing Bodies to consider both the admissions criteria and the admission number appropriate for the school. Full details of the admissions criteria and admissions number to be forwarded to the LA by 7<sup>th</sup> December 2013 to enable the full consultation with all the appropriate consultees to be carried out via the Internet. This should be done by e-mail to [Dean.Fenton@rotherham.gov.uk](mailto:Dean.Fenton@rotherham.gov.uk) [Christopher.Stones@rotherham.gov.uk](mailto:Christopher.Stones@rotherham.gov.uk)

**Pro-forma to be completed and returned as for community and controlled schools.**

### **Further General Point**

All infant, J&I, Primary schools need to continue to be mindful of the need to maintain classes from FS2 to Y2 at 30 or less.

If you require any further information or would wish to discuss any matters relating to admission numbers/criteria/net capacity, please contact Dean Fenton/Chris Stones on 01709 254821/253831.

#### ii) **Co-ordinated Admission Arrangements**

The Authority co-ordinated admission arrangements during the normal admission round and in-year admissions for all year groups. The new School Admissions Code which came into effect in February, 2012 stated that there is no requirement to co-ordinate in-year admissions. Rotherham, along with many neighbouring Local Authorities proposes to continue to co-ordinate in-year admissions, as far as is possible. The Local Admissions Forum has expressed its collective view that this continues to be good practice and that they fully support co-ordinated admission arrangements. For 2015/16 there will be a few minor date changes to the Co-ordinated Schemes and it is noted that the new Schools Admissions Code specifies that the Primary Schools Offer Day from 2015/16 onwards is 16 April.

**Action:** To note the information.

#### iii) **Waiting List**

The Authority currently maintains waiting lists for pupils applying during the normal admission round. The Admissions Code of Practice required that waiting lists are in place and continue for at least the first term of the academic year. There are no proposed changes for 2015/16.

**Action:** No action required

#### iv) **Local Authority 'Admission to School' Information.**

The information is freely available on the Local Authority Website along with details on how to make an on-line-application. The Authority is currently able to satisfy above 90% first preferences for primary and secondary school. Much of the information is surplus to most parents' applications. Where parents are unsuccessful with their application separate guidance is available on the appeal procedures. All parents received a short summary explaining how to apply for a school place, a copy of the Common Application Form and information on how to access the on-line system.

**Action:** Governing Bodies to note that the Local Authority wishes to maintain the decision to only send a summary of the information contained in the admissions document to parents with full copies available on request and/or via the [rotherham.gov.uk](http://rotherham.gov.uk) website.

**The admission criteria for community and controlled schools for 2014/15 is shown below.**

It should be noted that for a number of years the D.f.E. has given priority to looked after children. The new School Admissions Code which came into effect on February, 2012 has also prioritised previously looked after children. This is shown in the criteria below.

**Primary Reception**

**Places will be allocated in the following order of priority:**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children. (see note 3 below).
- ii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**.
- iii) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school or its associated junior school at the time of their admission. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school or its associated junior school at the time of their admission.
- vii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

### Year 3

**Places in Year 3 at a Junior School will be allocated in the following order of priority:-**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children in attendance at Y2 in the associated Infant School.
- iii) Children who have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular school essential**. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children with a compelling social reason which the Authority is satisfied makes attendance **at that particular school essential**. The kinds of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority who will also have an older brother or sister on the roll of the preferred school at the time of their admission.
- vi) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vii) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school at the time of their admission.
- viii) Children who on the closing date live nearest to the school measured in a straight line on a horizontal plane (as the crow flies).

## **Secondary Year 7**

### **Places will be allocated in the following order of priority:-**

Those who on the closing date are:

- i) Relevant looked after children and previously looked after children (see note 3 below).
- ii) Children who on the closing date have a specific medical reason confirmed by a medical practitioner which the Authority is satisfied makes attendance **at that particular** school essential. Parents should ensure that they attach full supporting information to the Common Application Form.
- iii) Children who on the closing date have a compelling social reason which the Authority is satisfied make attendance **at that particular** school essential. The kind of overriding social reasons which could be accepted are where there is evidence that the pupil's education would be seriously impaired if he or she did not attend the preferred school. Parents should ensure that they attach full supporting information to the Common Application Form.
- iv) Children who on the closing date live in the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2015.
- v) Children who on the closing date live in the catchment area of the school as defined by the Authority.
- vi) Children who on the closing date live outside the catchment area of the school as defined by the Authority whose older brother or sister will be on the roll of the preferred school in Years 8-11 at the start of the academic year 2015.
- vii) Children who on the closing date are on the roll of one of the associated Primary/Junior/Junior and Infant schools as identified by the Authority.
- viii) Children who on the closing date live nearest to the school measured by a straight line on a horizontal plane, (commonly known as measurement, "as the crow flies").

### **Notes**

- 1 Where the admission number for any school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those living closest to the school measured in a straight line on a horizontal plane (commonly known as measurement, "as the crow flies").
2. Where any final place at a school is available and two or more pupils are judged to be living equidistant from the school (e.g. in flats), the final place will be allocated by the drawing of lots by officers of the authority.

3. A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). For further information please refer to the Admissions Code of Practice which can be downloaded from [www.dfe.gov.uk](http://www.dfe.gov.uk)

4. Places will be allocated in accordance with the LA's co-ordinated admissions schemes for Primary and Secondary schools. In assessing preferences, the LA will operate an 'equal preference' system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest ranked of the potential offer schools.
5. Children issued with a statement of Special Educational Needs will gain a place at the school named in the statement as part of that process.
