

BCF Scheme:		BCF 02: Falls Prevention
Lead Officer:	RCCG	Dominic Blaydon
	RMBC	N/A

Description:

Review the falls service to ensure its primary focus is delivering a preventive community-based service, as well as targeting those most vulnerable, who are most at risk of fracture neck of femur.

Outcome:

Older people are aware of the risks of falls and have opportunities to remain active and healthy in their community. Where a person is more at risk of a fall, they are provided with the right advice and guidance to help prevent them.
