

BCF Scheme:		BCF 14: Data Sharing Between Health and Social Care
Lead Officer:	RCCG	Andy Clayton
	RMBC	Jayne Dickson

<p>Description:</p> <p>Develop portal technology to share data in a secure way that is in the best interest of people who use care and support. Use of the NHS number as a unique identifier across health and social care will create the starting point for the development of shared IT capacity</p> <p>Outcome:</p> <p>All providers have access to integrated person-held records, which include all health and social care plans, records and information for every individual.</p>
