

<b>We will make an overarching commitment to reducing health inequalities, particularly in areas suffering from a concentration of disadvantage</b>			
<b>Priorities</b>	<b>Lead Person</b>	<b>Progress</b>	<b>Deadline date</b>
1. Each Priority Neighbourhood will have a priority measure regarding health inequality where relevant.	Dave Richmond	9 of the 11 neighbourhoods have a specific priority relating directly to health inequalities, others have actions which impact on health.	In place
2. To look at new ways of assisting those disengaged from the labour market to improve their skills and readiness for work.	Dave Richmond	Corporate work group established. Following a mapping and analysis exercise, a series of sector discussions will be held to determine the potential for sector led training strategies as a means of improving access to employment.	Easter 2014
3. To ensure that strategies to tackle poverty don't just focus on the most disadvantaged, but there is action across the borough to avoid poverty worsening.	Carole Haywood/ Dave Richmond	Work is progressing to scope a 'building resilience' strategic approach. A draft was produced in December 2013. This is to be proposed as the central work area for the DN strategic group. Additional work is being led by the Leaders Welfare Reform group and others.	ongoing
4. To consider how we can actively work with every household in deprived areas to maximise benefit take-up of every person	Karl Battersby	R. Partnership has produced a series of advisory leaflets for use across the partnership. This will also be considered as part of the corporate review of advice services.	31 <sup>st</sup> January 2014

Young People	<p>CPP funding secured to work with young people at risk of being involved or becoming victims of ASB</p> <p>Young peoples skatepark group has grown in strength and meet regular</p> <p>Young people involved in holiday activities over spring bank. Working together with Odd Arts Company to deliver a 6 weeks media project to be show cased later in the year</p>		<p>There is still a higher than acceptable level of perceived ASB in the area. There is no provision for young people to get involved in within Aston North.</p> <p>Still signs of young people involved in ASB on the fringes of aston north area, increased police activity</p>
Employment	To develop a job club for 16+ in the coming months.		Number of NEETS in Aston North currently higher than the borough average

	IYSS staff contact young people on the NEET's register monthly to reduce the number.	2nd and 3 <sup>rd</sup> generation unemployed families. Issues of poor transport links to ease mobility to employment outside their community.
Health		Still having difficulty in setting up consultation with health professionals. We are aware of increased usage of alcohol / substance misuse..
Community Engagement	Community engagement event planned for February half term (2014). Invited organisation to offer practical advice to the community. Consultation and planning for real type activity to take place at the same event.  Started with sub group meetings and already ran a skip day which was very successful.	Welfare reform will significantly impact on families within Aston North
