Purpose:

- To share good practice
- To facilitate networking
- To identify barriers to change and focus on solutions
- To learn from other regions and areas
- To develop opportunities for joint working
- To understand the latest national developments in local contexts

Delegates:

Council officers: Head of Services, Assistant Directors and DASS

CCGs: Chair and chief officers

 Health and wellbeing board members

Numbers: up to 150

Outcomes:

1. Council officers learn about the approaches of other regional and areas
2. CCGs, learn about approaches in other areas and regions
3. New creative thinking is encouraged learning from other places and approaches
4. Relationships are developed that support better integration locally
5. National policy is better understood and implemented locally

Outputs:

- Each work shop lead provides a presentation which is distributed to all delegates.
- Presentations from Barnsley and Leeds are distributed to all delegates
- Plenary session is noted for feedback to ADASS regionally
