1. Background

- 1.1 The Health Select Commission agreed to schedule a scrutiny workshop on residential and nursing care home provision for older people in their 2017-18 work programme to consider progress in bringing about improvements to safety, quality and effectiveness in the sector.
- 1.2 It was also an opportunity to explore the impact of the Care Home Support Service, as the care home sector is one of the transformation initiatives under the Rotherham Integrated Health and Social Care Place Plan, a significant part of the Select Commission's work programme.

2. Key Issues

- 2.1 In light of their findings following the workshop, the Health Select Commission made the following four recommendations:

(1) That briefings should be provided for Ward Members on issues relating to any care home in their ward at an early stage.

(2) That Council officers liaise with the Care Quality Commission regularly around Registered Managers in care homes to identify potential concerns.

(3) That all care homes be encouraged to work with the Care Home Support Service and Clinical Quality Advisor to raise standards.

(4) That care home staff be encouraged to attend organised training sessions and that the take up and the impact of training be monitored.

3. Options considered and recommended proposal

- 3.1 The recommendations from the Health Select Commission scrutiny workshop have been accepted by Adult Care and the actions outlined in Appendix A will be implemented as part of the on-going requirements for the service.

4. Consultation on proposal

- 4.1 There is no requirement for consultation with regard to this activity.

5. Timetable and Accountability for Implementing this Decision

- 5.1 The response from Cabinet to the review recommendations will be reported back to the Health Select Commission on 29 May 2019.

6. Financial and Procurement Advice and Implications

- 6.1 None arising directly from this report

7. Legal Advice and Implications
