Summary

- 1.1 Improving Lives Select Commission agreed its work programme at its meeting of 9 July 2019 and asked that regular updates be provided to the Commission.
- 1.2 Appendix 1 has a summary of work to date and progress against agreed tasks. Work undertaken since the previous meeting includes:
 - Work has been undertaken by a small sub-group to benchmark other local authority provision of Post Abuse Support. Its initial findings have been fed into CYPS to inform the re-commissioning process of services in the Borough.
 - An update has been provided on the Early Help/Social Care Pathways to inform future discussions/scrutiny of CYPS transformation projects.
 - Performance Sub-Group, expressions of interest sought and an update will be provided to the Commission to determine its approach to performance monitoring.
 - Scrutiny Review - Holiday Hunger – Initial discussions have taken place with the Chair and Vice-Chair, Cabinet Member for Cleaner Greener Communities and officers on an initial scope and methodology which will be circulated for comment and amendment. Review group to be set up in September.
- 1.3 The work programme has been developed following a work planning session held on June 18, 2019 and has been informed by discussions with the Cabinet Member for Children and Young People's Services; the Strategic Director and Link Officer.
- 1.4 Improving Lives Select Commission has prioritised its work programme with reference to the '**PAPERS**' framework. This is as follows:

Public Interest: the concerns of local people should influence the issues chosen for scrutiny;

Ability to change: priority should be given to issues that the Committee can realistically influence;

Performance: priority should be given to the areas in which the Council and other agencies are not performing well;

Extent: priority should be given to issues that are relevant to all or large parts of the district;

Replication: work programmes must take account of what else is happening in the areas being considered to avoid duplication or wasted effort;

Statutory responsibility: where an issue is part of a statutory duty to scrutinise or hold to account (or the area under scrutiny is a statutory, high profile responsibility)

- 1.5 The Commission should be mindful of the timeliness of the matters within its work programme and ensure that it leaves sufficient flexibility to undertake any pre-decision scrutiny arising from matters in the Forward Plan of Key Decisions or be able to reprioritise should any items be referred to it from the Cabinet, OSMB or other sources.

Recommendations:

1. That Members consider the work programme as outlined in Appendix 1;
2. That updates are provided to each meeting of Improving Lives on the progress of the work programme and for further prioritisation as required.
