This report outlines the issues raised by the IPSC's review of the Markets and the recommendations that they made to Cabinet. While the overall operation of the Markets has an impact on Carbon emissions and the redevelopment project should provide ways to reduce these, those activities are outside the remit of this report and will be picked up as part of those individual projects and any approvals they require.

Please provide a summary of all impacts and mitigation/monitoring measures:

There are no impacts on emissions from this report and the recommendations of the IPSC
