

## Appendix 7

### PART A - Initial Equality Screening Assessment

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality and diversity.

A **screening** process can help judge relevance and provide a record of both the process and decision. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality and diversity
- whether or not equality and diversity is being/has already been considered, and
- whether or not it is necessary to carry out an Equality Analysis (Part B).

Further information is available in the Equality Screening and Analysis Guidance – see page 9.

1. Title	
<b>Title:</b> Adoption of Supplementary Planning Documents	
<b>Directorate:</b> Regeneration & Environment Services	<b>Service area:</b> Planning Policy Planning, Regeneration and Transport
<b>Lead person:</b> Winsze Lam Planning Policy Officer	<b>Contact:</b> 01709 822874
Is this a:	
<input checked="" type="checkbox"/> <b>Strategy / Policy</b>	<input type="checkbox"/> <b>Service / Function</b>
<input type="checkbox"/> <b>Other</b>	
<b>If other, please specify</b>	

2. Please provide a brief description of what you are screening
Adoption of the Supplementary Planning Documents (SPDs) will provide additional guidance for implementing a range of adopted Local Plan policies. Integrated Impact Assessment (which included Equalities Impact Assessment) was completed to support the adoption of the Core Strategy and Sites and Policies Document which together form the Rotherham Local Plan.

The SPDs will provide guidance to assist applicants when submitting planning applications across the borough. The outcome will be planning decisions which comply with relevant planning policies which will have an impact on residents, workers, visitors or other users of any future development.

### 3. Relevance to equality and diversity

All the Council's strategies/policies, services/functions affect service users, employees or the wider community – borough wide or more local. These will also have a greater/lesser relevance to equality and diversity.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, disability, sex, gender reassignment, race, religion or belief, sexual orientation, civil partnerships and marriage, pregnancy and maternity and other socio-economic groups e.g. parents, single parents and guardians, carers, looked after children, unemployed and people on low incomes, ex-offenders, victims of domestic violence, homeless people etc.

Questions	Yes	No
Could the proposal have implications regarding the accessibility of services to the whole or wider community? <i>(Be mindful that this is not just about numbers. A potential to affect a small number of people in a significant way is as important)</i>	✓	
Could the proposal affect service users? <i>(Be mindful that this is not just about numbers. A potential to affect a small number of people in a significant way is as important)</i>		✓
Has there been or is there likely to be an impact on an individual or group with protected characteristics? <i>(Consider potential discrimination, harassment or victimisation of individuals with protected characteristics)</i>	✓	
Have there been or likely to be any public concerns regarding the proposal? <i>(It is important that the Council is transparent and consultation is carried out with members of the public to help mitigate future challenge)</i>		✓
Could the proposal affect how the Council's services, commissioning or procurement activities are organised, provided, located and by whom? <i>(If the answer is yes you may wish to seek advice from commissioning or procurement)</i>		✓
Could the proposal affect the Council's workforce or employment practices? <i>(If the answer is yes you may wish to seek advice from your HR business partner)</i>		✓
If you have answered no to all the questions above, please explain the reason		

If you have answered **no** to all the questions above please complete **sections 5 and 6**.

If you have answered **yes** to any of the above please complete **section 4**.

#### 4. Considering the impact on equality and diversity

If you have not already done so, the impact on equality and diversity should be considered within your proposals before decisions are made.

Considering equality and diversity will help to eliminate unlawful discrimination, harassment and victimisation and take active steps to create a discrimination free society by meeting a group or individual's needs and encouraging participation.

Please provide specific details for all three areas below using the prompts for guidance and complete an Equality Analysis (Part B).

- **How have you considered equality and diversity?**

The SPDs are intended to provide further guidance on how Local Plan policies will be implemented and planning decisions made, rather than introducing any new policies.

The SPDs have been subject to public consultation and comments received have been considered in producing the final documents for adoption. The SPDs are themselves subservient to the adopted Rotherham Local Plan and offer further guidance and protocols for implementing the policies of the Local Plan: Core Strategy (2014) and Sites and Policies Document (2018). There is a clear hierarchy within the adopted development plan, and supplementary planning documents sit below the level of the strategic policies of the Local Plan.

At the time of preparation of both the Core Strategy and Sites and Policies Document the Council undertook Equalities and Health Impact Assessments. These assessments are included within the accompanying Integrated Impact Assessments (IIAs) published alongside both parts of the Local Plan on the Planning Policy web page.

<https://www.rotherham.gov.uk/downloads/download/64/local-plan-sites-and-policies-documentation>

<https://www.rotherham.gov.uk/downloads/file/487/sites-and-policies-document-integrated-impact-assessment-report-volume-3-assessment-of-policies#page=251>

The outputs and recommendations arising from the Health and Equalities Assessments, that were prepared at each stage of plan preparation, are taken into account in drafting the policies of the Local Plan. Therefore, any subsequent subsidiary and supporting planning guidance including Supplementary Planning Documents, are prepared in accordance with the Local Plan and fully reflect the equalities assessment and the outputs and recommendations, previously undertaken and included within the accompanying IIAs.

As part of a forthcoming review of the Core Strategy, the health and equalities assessments will be reviewed and, where necessary, updated.

- **Key findings**

The provision of further planning guidance aims to ensure the Local Plan is delivered to its fullest extent and ensures there are benefits to local people arising from new development opportunities; and that impacts on the community and wider environment are mitigated in accordance with the vision of the Local Plan: “to minimise inequalities through the creation of strong, cohesive and sustainable communities”.

**Developer Contributions SPD**

This SPD sets out the methodology and threshold for the Council to seek financial contributions from developers towards mitigating the impacts of development towards: education provision (e.g. school places), library provision and library space, biodiversity net gain, trees, green infrastructure, green spaces, outdoor sport and recreational provision, transport and related infrastructure, Community Access Plans and other management or operational plans, and local primary health care provision.

These policies combined can improve accessibility and provision of the above from surrounding neighbourhoods and the rest of the borough by walking, cycling and public transport.

**Biodiversity Net Gain SPD, Trees SPD, and Preparing a Soils Strategy SPD**

These SPDs set out specific guidance to the enhancement and preservation of natural environment. While they would not have direct impact on individual or specific groups, the guidance given in the SPD will ensure natural environments are protected for future generations, mitigating climate change and supporting healthy communities.

**Development in the Green Belt (Revised) SPD**

This is a minor revision to an adopted SPD. It assists in locating new development in the most appropriate areas and aims to maximise accessibility to service and employment centres.

- **Actions**

The preparation of supplementary planning documents is a positive approach to ensuring the Local Plan and its policies can be implemented to its fullest extent. The guidance within these documents removes any possible ambiguity and misunderstandings that developers and landowners may choose to proclaim in submitting planning applications. The guidance will assist the Council in achieving the best possible outcomes from new development opportunities for its own communities and all people.

Date to scope and plan your Equality Analysis:	03 May 2023
Date to complete your Equality Analysis:	03 May 2023
Lead person for your Equality Analysis (Include name and job title):	Winsze Lam Assistant Planning Policy Manager

## 5. Governance, ownership and approval

Please state here who has approved the actions and outcomes of the screening:

Name	Job title	Date
Andy Duncan	Planning Policy Manager	03 May 2023

## 6. Publishing

This screening document will act as evidence that due regard to equality and diversity has been given.

If this screening relates to a **Cabinet, key delegated officer decision, Council, other committee or a significant operational decision** a copy of the completed document should be attached as an appendix and published alongside the relevant report.

A copy of **all** screenings should also be sent to [equality@rotherham.gov.uk](mailto:equality@rotherham.gov.uk) For record keeping purposes it will be kept on file and also published on the Council's Equality and Diversity Internet page.
