Identify any emission impacts associated with this decision that have not been covered by the above fields:

None identified.

Please provide a summary of all impacts and mitigation/monitoring measures:

The equalities annual report is a report on progress, not a decision report. Therefore, there are no significant implications for emissions. As well as reflecting on progress, there are a number of next steps and actions proposed within the report. Whilst at this stage, no emissions impacts have been identified, where appropriate, these next steps and actions will be presented to Cabinet for approval. At this stage, further CIAs will be completed to assess any emissions impacts.
