

Appendix 4 – Thrybergh Country Park

Levelling Up Fund investment at Thrybergh Country Park will deliver:-

- A new contemporary café with indoor seating for 60 - 80 people.
- Seating and picnic space for up to one hundred people between the café and the water's edge
- New landscaping to improve the public realm
- Enabling works to facilitate the above, such as demolishing the existing, ageing café and making the ground good for new construction

The current café building at Thrybergh Country Park

Indicative plan of areas at Thrybergh Country Park to be developed through Levelling Up funding.

Indicative visual of the new café building at Thrybergh from the water's edge.
