Emissions from non-domestic buildings?	Nil				
Emissions from transport?	Nil				
Emissions from waste, or the quantity of waste itself?	Minimal	Paper versions will be available in libraries across the borough so the report is accessible to those who do not use / have access to the internet.		The online version will be promoted but 13 paper copies will be produced so that they're accessible across the borough. We will provide 1 copy per library to minimise any chance of waste.	
Emissions from housing and domestic buildings?	Nil				
Emissions from construction and/or development?	Nil				

APPENDIX 5: CARBON IMPACT ASSESSMENT

Carbon capture (e.g. through trees)?	Nil				
Identify any emission impacts associated with this decision that have not been covered by the above fields:					
None					

Please provide a summary of all impacts and mitigation/monitoring measures:

We will encourage and promote online access to the report as much as possible with minimal paper copies being produced. There may also be the opportunity in forthcoming iterations of the local account to consider climate mitigation and climate impact should data be available in the future.
