What is the Forward Plan?

The Forward Plan contains all the key decisions the Council expects to take over the next three months. It will be refreshed monthly and will give at least 28 days' notice of any Key Decisions and, if applicable, the Cabinet's intention to discuss an item in private. This gives you the opportunity to submit relevant documents to the decision maker concerning any individual Key Decisions and draws to your attention any relevant constitution process.

What is a Key Decision?

A Key Decision is one which is likely to:-

- relate to the capital or revenue budget framework that is reserved to the Council, or
- result in income, expenditure or savings of £400,000 or greater, or
- have a significant effect on two or more wards

A Key Decision can be made by the Cabinet. The Forward Plan also includes some matters which are not Key Decisions under the heading "Decisions which are not Key Decisions".

What does the Forward Plan tell me?

The plan gives information about:

- what key decisions are to be made in the next three months.
- the matter in respect of which the decision is to be made.
- who will make the key decisions.
- when those key decisions are likely to be made.
- what documents will be considered.
- who you can contact for further information.
