Dear Cllr Bennett-Sylvester

Question to Council – Wednesday 29th November 2023

Thank you for your question to Council as follows:

We've spent a lot of money on new pavements in the town centre. How often are they getting swept, especially with regards to leaf debris at the moment?

I can advise that pavements in the town centre are swept on average once per week. Leaf debris needs to be dry for effective collection and these will be fully cleared over the next week or so now that the majority of leaves have fallen.

I hope you find this information helpful.

Yours sincerely

Cllr Dave Sheppard
Cabinet Member for Social Inclusion and Environment
