Subject: Website enquiry cup and co 83 Worksop road woodsetts s818RW

I object to the alcohol licensing for a cafe opening opposite my home, why would a cafe need a alcohol licence from 12-23:00 hrs when it's advertised as a quaint cafe selling cakes & pastries opening hours 8 till 6pm.

This is a rural location with three shop units in the village & a public house already in the village, I believe the said cafe is trying to open a bar without the locals that live here Being notified! This is a small quite village location that doesn't need noisy bar environment that will impact our quality of lives.

The parking are in none existant for it to be a bar type business either, I can only imagine pushing traffic on to this small cul-de-sac outside my home where us the residents on the street already jostle for parking our own vehicles

Under the prevention of public nuisance!
Safety

Thank you
