Carbon capture (e.g. through trees)?	NA				

Identify any emission impacts associated with this decision that have not been covered by the above fields:

Please provide a summary of all impacts and mitigation/monitoring measures:

This cabinet report seeks to allocate funding to the acquisition of property. The acquisition was approved in March 2022 and therefore this report refers solely to the allocation of money. There are no impacts from the allocation of funding, although the future redevelopment of the site will generate emissions.
