

# What makes a strong community?

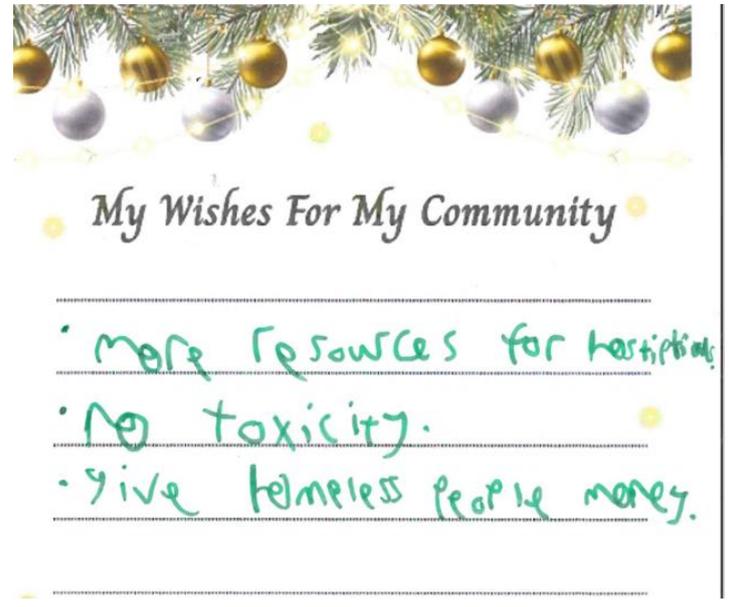

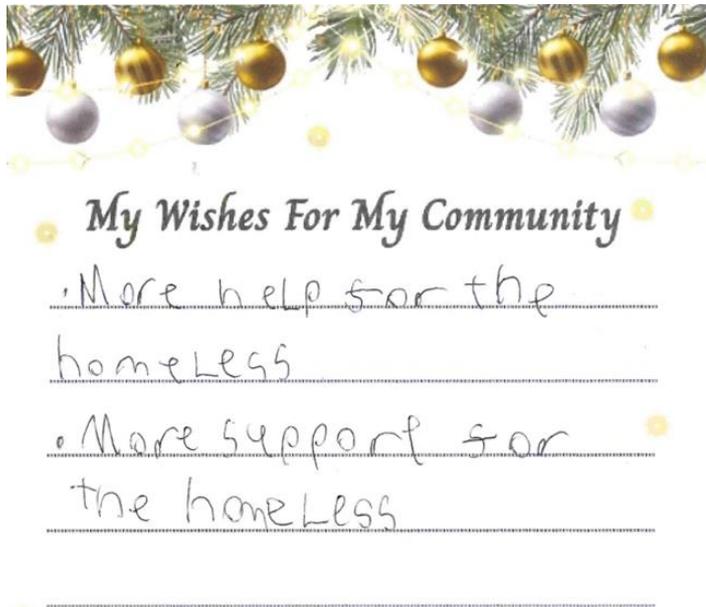

As part of the consultation work completed children and young people were asked their view on what makes a strong community. (One of the children commented that some people perceive Rotherham as 'feral' this led to in-depth conversations around people's perceptions communities).

## Our Story

Consultation activity continued in preparation for Workshop delivery in Q3. the exercise gathered young people's positive reflections about Rotherham including future aspirations for their Town.

# Wishes for our Community

Consultation with young people to further understand their aspiration for Rotherham and its communities.
